Additional Comments:

All Drills Conducted by Sharon Alexander, IC School Principal.

**There was a system malfunction on 4/21/16, the date of our last scheduled drill of the 2015-2016 school year. As a result, hourly fire walks were conducted from 4/22/16, the day after the system malfunction, until 6/8/16, the last day of the 2015-2016 school year. Fire Panel was replaced over the summer of 2016.*
