Countdown to Summer Newsletter

Dear Parents,

Thank you for a truly incredible year with your children! I hope your family enjoyed it as much as our staff. As we go into the summer months the one thing I will miss most is praying with our entire school family each morning.

Pope Francis identifies a prayer intention each month. I ask you to remember these intentions as you pray each day in your domestic church. Including these special intercessions will be like praying together while we are physically apart. May you have a blessed summer!

June – National Leaders; That national leaders may firmly commit themselves to ending the arms race, which victimizes so many innocent people.

July – Lapsed Christians; that our brothers and sisters who have strayed from the faith, through our prayer and witness to the Gospel, may rediscover the merciful closeness of the Lord and the beauty of Christian life.

August – Artists; that artists of our time, through their ingenuity, may help everyone discover the beauty of creation.

In Christ's Easter Peace,

Ms. Sharon Alexander
