From the Principal's Desk

Dear Parents,

This Sunday marks the first week of Advent and the beginning of a new liturgical year. Advent is a special time that often gets overlooked. We tend to be preoccupied with getting ready for the family gatherings of Christmas and the extended festivities that happen throughout December. Advent allows us time to prepare our hearts for the coming of Jesus. Not only the celebration of the incarnation, but also when Christ will come again. As we heard in the Gospel of Matthew just a couple of weeks ago; "Therefore, stay awake, for you know neither the day nor the hour."

Each week of Advent focuses on a different virtue; week 1: Hope, week two: Peace, week three: Joy, and week four: Love. During these next few beautiful busy weeks I invite you and your family to make time for the preparation of the celebration; The Coming of Christ our Lord.

I have some personal news I would like to share with you. Over the Christmas break I will be getting married. When we resume classes in January, I will no longer be Ms. Alexander. My new name will be Mrs. Voege. I am sure this will be an adjustment that will take some time for the students. Many will continue to recognize me as Ms. Alexander and that is fine.

My fiancé and I will be traveling to Rome to have our marriage blessed by the Pope. While there we will remember Immaculate Conception Catholic School and its family in our prayers. I also ask for your prayers as we begin this new sacrament together.

Advent Blessings,

Ms. Sharon Alexander, M.Ed.

FAITH

Our highlighted saint for the month is St. Juan Diego. He was born in Mexico in 1474.

St. Juan Diego was beatified on May 6, 1990 by Pope John Paul II and canonized on July 31, 2002.

He is said to have been granted an apparition of the Virgin Mary on four separate occasions in December 1531. The basilica of Guadalupe is said to contain the Tilma (cloak) of Juan Diego on which an image of the Virgin Mary appeared after Juan Diego carried flowers to the archbishop that he picked in the dead of winter.

St. Juan Diego became the first Roman Catholic indigenous saint from the Americas. His feast day is celebrated on December 9 and he is the patron saint of Indigenous people.

KNOWLEDGE

Preschool students at Immaculate Conception are preparing for the Christmas season by talking about the legend of the Candy Cane. Did you know that the candy cane is a visual reminder of the true story of Christmas? White stands for the purity of the Virgin Mary & the sinless nature of Jesus. The red stripes symbolize the scourging that Jesus received and the blood shed by Christ to atone for our sins. Finally the candy cane is bent into the shape of a "J" for Jesus! If you flip it the other way around it also bears a resemblance to a shepherd's staff—shepherds were the first ones on the scene the night Jesus was born.
